

ORANGE IS THE NEW BLACK

Piper and Polly: Piper knows that her ex fiancé Larry has slept with Polly. Piper has been given 48 hours out of prison to go to her grandmothers funeral. She is about to go back to prison but is confronting Polly.

Piper: Hey, Pol! –

Polly: Hi.

Piper: Oh, my gosh, you're so skinny. Your big pregnancy ass is gone!

Polly: I know. I am so sorry it's been so long. And, Pipe, I'm sorry about Celeste. I should have been at the funeral. I just I'm not making that much milk, and pumping is really hard.

Piper: Larry says you've been lost in the baby fog.

Polly: I feel horrible. You lost someone. I should have been there for you. I'm so, so sorry. It was really shitty of me.

Piper: Stop, it's fine.

Polly: It's not. It's not fine. You needed me and I wasn't there. I've been a really bad friend. Like, the worst. You don't deserve that. You don't deserve any of this.

Piper: How is mommy life? –

Polly: Hard. It's so much harder than anyone tells you. I feel like I've lost my mind. I'm not myself.

Piper: Is Pete being good? –

Polly: Pete took off to Alaska. It was weird and totally horrible of him.

Piper: Have you seen Larry a lot?

Polly: No. Why, did he tell you that? I mean, just when Pete was gone. He helped me a lot with Finn.

Piper: Oh.

Polly: Are you guys still talking a lot?

Piper: Well, we just spent the past 48 hours together.

Polly: How did that go?

Piper: We had s*x. Well, we started to. At my grandmother's wake.

Polly: Really?

Piper: Does that surprise you?

Polly: Uh, well, yeah, I thought you ended things.

Piper: He was my fiancé, Polly. There's still a lot of love there.

Polly: Of course.

Piper: He slept with someone else.

Polly: Really? Did he tell you that?

Piper: No, why would he tell me that? You two have been talking. You're close. He's been helping you with Finn.

Polly: Oh, we're not that close. Um what did he tell you?

Piper: That it was someone I know. I think he was feeling pretty guilty. He probably felt like it was a mistake.

Polly: He doesn't want to hurt you.

Piper: I'm sure that he doesn't.
