

DATE NIGHT

Hailey

Best fucking decision I ever made. Seriously I have never been happier. I can do whatever I want. I can go dancing. When was the last time you and Phil actually danced together?

Claire:

I don't know our wedding?

Hailey

Ok well, I want to dance every night. And I want to take my top off and I want to get it on with three guys at the same time, cause I can.

Claire

Three guys at the same time? That's a nightmare. That is a literally a recurring stress dream that I have. I can only think of jobs for two. Oh no I get it.

Hailey

Yes there's that one.

Claire

I just don't understand how this happened.

Hailey

He just sort of went on autopilot.

Claire

I don't understand what you want.

Hailey

I feel like we know each other too well. I know everything about him. I know that croutons make him gag. And he knows if I have five glasses of wine I'm gonna make out with a black guy.

Claire

You're still doing that huh?

Hailey

Yes. It's the same conversation, the same schedule, having sex in the same position twice a week.

Claire

You guys are having sex twice a week?

Hailey
Yeah, it was that rare.

Claire:
Yes, rare. That's why I was surprised.

Hailey
You are a lot like Nasrin, Claire.

Claire
I'm not like Nasrin.

Hailey
Yes you are, yes you are.

Claire
Why are we talking about me, you're the one going crazy.

Hailey
Because you are like Nasrin. You are ashamed of how vibrant you are. You deserve to be sexy Claire. And you should be able to dance again. And you need to walk amongst the birds.

Claire:
Yeah, I gotta tell you, I don't get that metaphor. And I feel plenty vibrant. Ok maybe not three guys vibrant, but that is just gross. Phil makes me feel vibrant in different ways. We have a date night tomorrow.

Hailey
Great. Ok. Well enjoy the potato skins and the salmon. Walk amongst the birds.

Claire
Get that bird away from me.
